Dear Brookline St. Neighbor,

During the week of May 17 – 21, there will be periodic closures to Brookline St. to prepare the roadway surface for paving. This work will be between the hours of 7 AM and 4 PM. Traffic will be detoured, but Brookline St. will be open to residents, abutters, and emergency vehicles.

Scheduled Work

- A sewer pipe will be repaired near Pacific St.
- Abandoned rail road track was uncovered during the milling operation between Allston and Erie St. These sections of track will need to be removed and the pavement rebuilt.

MBTA and EZ-Ride Pick up/Drop off Changes

Both the MBTA and EZ-Ride Shuttle bus stop at Brookline and Erie streets will be relocated during this construction. The MBTA bus will pick up passengers at Brookline and Pacific St. The EZ-Ride Shuttle stop will pick up passengers at Erie and Sidney Streets, on the Erie St. Side of 200 Sidney St.
